

The Match Maker, Inc.'s standard payment terms for carriers are twenty to twenty-five (20-25) days from receipt in our corporate office of the carrier's invoice, bills of lading, and any load receipts associated with the shipment. Although we pay our invoices in less than 30-days, we have established a 24-hour "Quick Pay" policy for carriers desiring a faster payment option

Terms and Conditions

Payment will be made within one (1) day from receipt of the required documents for a five percent (5%) fee of the total amount due to the carrier.

This agreement will be effective for all invoices received by the date set forth below or until cancelled in writing by either party, The Match Maker or Carrier.

Exceptions – This agreement will be suspending if there is a possible claim on a load. The fee will be waived if the Investigation is not completed within this time period. This agreement will be reinstated after all issues have been resolved.

This agreement automatically becomes **null and void** or cancelled upon receipt of notification that a Carrier's invoices have been factored or assigned to another party.
